

## Survey – 30th Anniversary Events

This year the Association turns 30! To celebrate we would like to hold some events throughout the year. We hope we have covered all bases and age groups; however we would appreciate your feedback on our suggestions below.

Please tick **at least 5** that you and your household would consider as a good idea, or would be interested in attending.

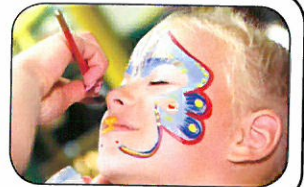

Planting a Christmas tree in Phase 4 of Trafalgar Street. This would allow us to have a light switch on celebration every year and make it an annual event. We could ask a band to come and play Christmas carols and have some food and hot chocolate etc

An Easter bonnet competition for the children. Similar to the Christmas card competition already carried out, children would come in with their bonnets and there would be a prize for the best and all entrants would receive a sweet etc.

A summer fete with food stalls and local businesses that offer services to our residents could be invited to have a stall. There could be face painters, balloons, a dog show etc.

A fish supper night with bingo for our older residents to be held locally.

Providing tickets for a pantomime at Christmas for children and a parent/guardian.

A fund for tenants where they can request money from the fund to help allow a child to get a uniform for a club, or go a school trip etc to ensure no one misses out.

Make our AGM into an event this year. After the business is finished we could have some entertainment etc. and display pictures up on the wall and old newsletters.

Coach trip to either the seaside , Blairdrummond Safari & Adventure Park or Edinburgh Zoo.

Planters on Spencer Street to be re-planted. We would have our ground maintenance contractors there to advise and we hope residents and children would come out and help.

Opening up some of the closed garden areas and putting in benches for our residents to enjoy.

We would also welcome any suggestions you have on how to celebrate our special year in the box below.
